

Replaceability of light sources and/or control gears without product permanent damage

BASIC INFORMATION

|                |                          |
|----------------|--------------------------|
| Product name:  | MORGAN LED N 7W WHITE NW |
| Ideus index:   | 03921                    |
| EAN barcode:   | 5901477339219            |
| Colour:        | White                    |
| Materials:     | Polycarbonate PC         |
| Height:        | 195 mm                   |
| Width:         | 300 mm                   |
| Depth:         | 52 mm                    |
| Box packaging: | 10 pcs                   |

REMARKS

- N/A
- IK10
- twilight sensor with regulation - works with ambient light < 3-50 lx

PRODUCT PARAMETERS

|   |                                |
|---|--------------------------------|
| Power supply:   | 230V 50Hz                      |
| Power:  | 7 W                            |
| Dedicated light source:   | N/A                            |
|   | Non-replaceable light source   |
|   | Do not use with a mains dimmer |
| Luminaire luminous flux:  | 650 lm                         |
| Light source luminous flux:   | 1 050 lm                       |
| Shelf life L70B50 in h:   | 35 000 h                       |
| Product offer the possibility of adjusting the illumination direction:                | No                             |
| Degree of protection provided against intrusion, dust, accidental contact, and water: | IP65                           |
| Degree of protection against mechanical impacts:                                      | IK10                           |
| Light colour:   | Neutral white                  |
| Colour temperature:   | 4100 K                         |
| Luminous beam angle:  | 160°                           |
| Colour rendering index Ra:  | 83                             |
|   | For indoor or outdoor use      |
| Electric shock protection class:  | 2                              |
| CE  | Declaration of conformity      |
