PRODUCT INFORMATION SHEET

BASIC INFORMATION

Product name:	BEGONYA HL779 ANTIQUE RED COPPER
Ideus index:	01317
EAN barcode:	5901477313172
Colour:	Copper
Materials:	Aluminium alloy cast
Height:	25 mm
Width:	86 mm
Depth:	86 mm
Box packaging:	100 pcs

PRODUCT PARAMETERS 12V Power supply: Power: max 50 W Lampholder type: GU5.3 MR16 Dedicated light source: Possibility of light source replacement Product offer the possibility of adjusting the illumination Yes direction: Degree of protection provided against intrusion, dust, IP20 accidental contact, and water: For indoor use Electric shock protection class: 3 CE Declaration of conformity
